

HIGHLANDER FOOTBALL

HOMESTEAD @ WHITEFISH BAY

10/8/10 - 7:00 PM

Spoken from the heart...

More Than a Game

"Football at Homestead is more than just a game! It is a way of life. It demands pride, desire, dedication and discipline. These characteristics earned and learned on the field are carried into every other aspect of life, where each Homestead student athlete is expected to strive for excellence.

A team with a dream **is** football at Homestead. It **is** the purpose of every freshman, junior varsity and varsity player.

I believe that every dream starts as a picture in your mind. But realizing dreams, like achieving success, is never an overnight achievement. The path you create to realize your dream is what it is really all about: the journey, not the destination.

This Friday, the path takes us to Whitefish Bay. Another stop in the journey for the team with a dream. Another chance to make that picture real.

Will.

A simple declarative statement of purpose. A glimpse of your character drawn in the blood, sweat and tears of effort.

Ultimately will is your choice - a call to knuckle down and persevere - regardless.

Tomorrow:

Will yourself to go beyond your own physical limitations and press on to an entirely different level of effort.

Will yourself to perform with unparalleled mental acuity, dispatch all distractions and become as one with your mission.

Will your teammates to venture into the unknown, exhorting them towards a

Will.

level of performance they have yet to experience.

Will yourself to be fearless, to jump into this challenge completely, with both feet and eyes wide open.

Will yourself to live entirely within that moment - with your team.

Will yourself to counter every obstacle - real or imagined - with ten fold effort and redoubled resolve.

Your will is right where your actions will intersect with your purpose.

Will yourself and your team to pursue, capture and revel in excellence this Friday.

Make it your will.

“How long should you try? Until.”

Jim Rohn

“Many of the great achievements of the world were accomplished by tired and discouraged men who kept on working.”

“We conquer by continuing.”

George Matheson

There are but two roads that lead to an important goal and to the doing of great things: strength and perseverance. Strength is the lot of but a few privileged men; but austere perseverance, harsh and continuous, may be employed by the smallest of us and rarely fails of its purpose, for its silent power grows irresistibly greater with time.

Johann von Goethe

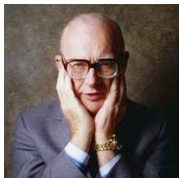

“Energy and persistence conquer all things”

Benjamin Franklin

“FAILURE IS THE PATH OF LEAST PERSISTENCE.”

“There's nothing in this world that comes easy. There are a lot of people who aren't going to bother to win. We learn in football to get up and go once more.”

Woody Hayes

“The only way of finding the limits of the possible is by going beyond them into the impossible.”

~ Arthur C. Clarke

A NOTE FROM COACH...

There will be certain moments during your career as a student-athlete that you will always remember.

Then - there are those events that will earn a special place in the hearts and minds of many, many people.

This **will** be one of those.

The intensity level **is** palpable.

This game is going to be a test of your mettle, your character and your will.

It is going to be one of those games you always imagined you might play in someday.

You have forged yourself into the team that is made for **this** game.

You are right where you are supposed to be.

Now make October 8, 2010 that one day you will always remember.

Coach Hahn

“What this power is I cannot say; all I know is that it exists and it becomes available only when a man is in that state of mind in which he knows exactly what he wants and is fully determined not to quit until he finds it.”

Alexander Graham Bell
